MBX 08/120E+

82V BATTERY POWERED MINI BOWSER PRESSURE WASHER

The 125-litre MBX 08/120E+ battery powered Mini Bowser Pressure Washer is designed to satisfy the demands of individuals who need maximum mobility without compromising performance.

Featuring an emission free, 82v Li-ion battery powered motor it guarantees a sufficient water supply for cleaning tasks whilst on the go and has the power to remove even the toughest dirt and grime from a range of surfaces but without the environmental impact...

...Building a Sustainable Future!

BUILDING A SUSTAINABLE FUTURE

FEATURES & BENEFITS

- Robust, compact full motor & pump protection frame complete with hose storage facility as standard.
- 125 litre durable polyethylene water tank with filler strainer and drain as standard.
- Environmentally friendly, emission free for use indoors & in poorly ventilated areas such as basements and tunnels.
- Can be operated in environmentally sensitive areas, such as green spaces, nature reserves, national parks, rural railway cuttings and emission controlled urban areas, without any exhaust emissions.
- No routine power unit maintenance eliminates servicing or costly downtime due to repairs.
- Power unit has 3 x speed settings. 2800, 3200 & 3600rpm.
- Avoid problems with modern fuels. No blocked carburettors.
- Cordless design gives added operational flexibility.
- Quick release/connect 82v battery with digital power level display.
- 82v batteries are interchangeable with the other products in the Altrad Belle E+ 82v range, for added convenience and flexibility.
- Easy to move around with heavy duty rear caster wheel and built-in park brake.
- Detergent / chemical feed-line complete with strainer filter.
- Single point lift to minimize manual handling risk.
- Accessible service points.
- Inlet-line strainer for added pump protection.
- Motor overload protection.
- High quality, heavy-duty triple piston pump.
- Professional two-wire, 10m braided hose, complete with quick-screw adapters and swivel couplings.
- Thermal pump protection.
- Lance holder integrated into protection frame.
- Lance comes complete with safety trigger lock.
- 4-ply deep-tread tyre as standard.
- Specifically designed for hire and rental markets.
- Customer colour options available.
- Optional 10m Hose Reel available.
- Puncture-proof foam filled tyre option available.

HEAVY DUTY CASTER WHEEL & BUILT-IN PARK BRAKE

TANK FILLER STRAINER AS STANDARD

82V BATTERY, INTERCHANGEABLE WITH OTHER PRODUCTS IN THE ALTRAD BELLE E+ 82V RANGE
