V1.0 - 240731

FÖRST ST8D

An industry first, the Först ST8D Wood Chipper is an 8" performance tool combining compact usability with outstanding performance and quality.

The ST8D is boasting 55 horse power with a huge amount of torque and phenomenal power, the ST8D 55 makes light work of any type of timber and brush up to 8" in diameter.

It's an 8" diesel wheeled woodchipper for the future with its stage 5 compliant, 45hp Kubota Diesel engine delivering more chipping speed and efficiency than ever before. This engine coupled with the large Först 'open top' flywheel and FörstGrip feed roller system make it the 8" chipper of choice for the contractor.
